This puppy is guaranteed to be in healthy condition, free of communicable diseases at the time of sale. Puppy is guaranteed until his/her first birthday against any **life threatening genetic defect(s).** If a licensed veterinarian confirms a life threatening genetic defect he/she must provide finding in writing and notification must be given to Brenda Graves within 24 hours of determination. Once notification is received, the puppy should be returned within 24 hours and a replacement puppy of the same value will be given as soon as one is born and 8 weeks old. In order to put this guarantee in place, the purchaser **must** have the puppy examined by a licensed veterinarian within three days (Sundays excluded) of the date puppy is picked up. If any part of this requirement is not met the guarantee is null and void. This puppy is not being sold nor guaranteed as a show dog or as a breeding animal. **Seller is not responsible for any vet bills.**

Your puppy has been de-wormed and vaccinated at the scheduled time here. It is very important that you continue the vaccinations as recommended by your vet.

You, the purchaser, agree to take good care of the puppy and provide adequate food, water, housing and medical care when needed. Please remember a puppy has the same needs as a baby - lots of love, attention, plenty of rest, fresh water, food and a warm dry place to sleep.

If you are putting a deposit on a puppy to be picked up at a later date, your deposit is a promise to purchase the puppy on its pickup date and my promise to hold that puppy for you. If the puppy is not picked up within 5 days of the pickup date, your deposit will be forfeited and the puppy will be re-sold. **Deposit is non-refundable** unless the puppy would become ill or die.

By signing below you understand and agree to the terms noted above.
